

FAQ: How do I tackle pay rates?

Updated: from 1 July 2018

Step 1 – what is the employee s classification?

All employees should be given a classification which accurately reflects their skills and experience and the work they do. As a minimum, wages paid to the employee should meet award rates of pay which apply to their classification. The Pastoral Award 2010 applies to dairy employees. There are 5 employee classifications for dairy in the Award, which are summarised in the table overleaf.

Step 2 – find the minimum hourly rate – (you must pay this rate or above)

As of 1 July 2014, transitional pay rates no longer apply.

Reminder: as of 1 July 2014, the pay rates in the Pastoral Award 2010 apply to all national system employers across Australia, regardless of award coverage prior to 1 January 2010.

The minimum hourly rates for each employee classification are listed in the table below which apply from the **first pay period on or after 1 July 2018**.

Employee classification	Hourly rate	Weekly rate
F H 1	\$18.93	\$719.20
F H3	\$19.75	\$750.60
F H	\$20.58	\$782.00
F H	\$22.04	\$837.40
F H8	\$23.68	\$899.70

Step 3 – is the employee full time, part time or casual?

Under the Pastoral Award 2010 ordinary hours are 152 hours worked over a four-week period. Ordinary hours for casuals are the same as for full-time employees. All part-time and casual employees are entitled to a minimum payment of 3 hours' work. A casual worker must be paid at the hourly rate plus 25%.

The minimum engagement period for full time secondary school students aged 18 years or younger is 2 hours.

Can I pay a flat hourly rate?

Once you have worked out the relevant minimum amounts of pay required by law and any other benefits which you may be able to provide, you can begin to work out a package.

Sometimes it may be more straightforward to pay a flat rate of pay taking into account overtime and penalty rates. As this is a variation to the award, the employer and employee must formalise the pay rate as part of an Individual Flexibility Agreement (IFA) or an enterprise agreement.

IFA's and enterprise agreements must pass the Better Off Overall Test (BOOT) to ensure the employee is better off overall compared to the award.
